Schools must use the funding to make **additional and sustainable** improvements to the quality of PE and sport they offer. This means that you should use the Primary PE and Sport Premium to:

- develop or add to the PE and sport activities that your school already offers
- build capacity and capability within the school to ensure that improvements made now will benefit pupils joining the school in future years

Please visit gov.uk for the revised DfE guidance including the 5 key indicators across which schools should demonstrate an improvement. This document will help you to review your provision and to report your spend. DfE encourages schools to use this template as an effective way of meeting the reporting requirements of the Primary PE and Sport Premium.

We recommend you start by reflecting on the impact of current provision and reviewing the previous spend. Under the [Ofsted Schools Inspection Framework](#), inspectors will assess how effectively leaders use the Primary PE and Sport Premium and measure its impact on outcomes for pupils, and how effectively [governors](#) hold them to account for this.

Schools are required to [publish details](#) of how they spend this funding as well as on the impact it has on pupils' PE and sport participation and attainment. We recommend regularly updating the table and publishing it on your website as evidence of your ongoing review into how you are using the money to secure maximum, sustainable impact. To see an example of how to complete the table please click [HERE](#).

Support for review and reflection - considering the 5 key indicators from DfE, what development needs are a priority for your setting and your students now and why? Use the space below to reflect on previous spend, identify current need and priorities for the future.

Batheaston Church School

<p>Key achievements to date:</p> <ul style="list-style-type: none"> Achieved the School Games Gold Mark for second consecutive years prior to 2019/20 COVID interrupted year. Least active children are targeted. All children, in every year group, have the opportunity to ensure competing with children from other local schools through our involvement with the local sports cluster. Leadership programmes are in place to support and develop young leaders Implementation of the REAL P.E. scheme that develop essential behaviours, physical literacy, emotional and thinking skills in EVERY child. Pupil questionnaire feedback provides evidence that pupils at Batheaston Church School have a positive view of physical activity and enjoy their P.E. lessons A comprehensive tri-annual Sporting Newsletter was administered to all parents celebrating all of Batheaston Church School's successful sporting and physical activity achievements. During the lockdown period physical activity was promoted in each year group. <p>Meeting national curriculum requirements for swimming and water safety</p>	Please complete all of the below*: (figures are for 2019/20 Year 6 cohort)	
	Sept 2020	July 2021
What percentage of your current Year 6 cohort swim competently, confidently and proficiently over a distance of at least 25 metres?		
What percentage of your current Year 6 cohort use a range of strokes effectively [for example, front crawl, backstroke and breaststroke]?		
What percentage of your current Year 6 cohort perform safe self-rescue in different water-based situations?		
Schools can choose to use the Primary PE and Sport Premium to provide additional provision for swimming but this must be for activity over and above the national curriculum requirements. Have you used it in this way?		

*Schools may wish to provide this information in April, just before the publication deadline.
