

Remote Learning for Apple Class 2021

In line with government guidelines, your child's teacher will set a number of assignments each day for the children to complete. Teachers will be online regularly to help support the children and guide them through the planned sequence of lessons. Learning will be provided through a combination of live sessions, pre-recorded sessions and high-quality curriculum resources. Work completed by the children will be used to assess their progress.

Week beginning: 11/01/21	English Activity	Maths Activity	Phonics Practice <i>See planning grid below (The Bitesize links are great for a quick activity)</i>	Daily Reading	Letter formation/fine motor activities As and when during the week.
Monday	Story Video Watch Nikki read the story Dinosaur Galore! Please to go to the video channel .	Go to Session 1 Alive in 5! - Week 2 White Rose Maths Watch the video and carry out the activity attached to this video.	Letter sound Y The y sound Phase 3 Phonics y words - BBC Bitesize	Pick up book pack at your specified time slot. You will have 2 books for the week.	Go to for letter formation practise worksheets: Phonics Activities and Resources/Files/Letter Sound Formation sheets Here you will find all letter sounds covered so far. If possible, encourage you child to mark-make through drawing and fine motor tasks. Any real opportunity to write would be great to practise letter formation skills.
Tuesday	Assignment 2 – Draw your favourite dinosaur and label the different parts of his body. Extra challenge – Write a caption or sentence with your picture.	Go to Session 2 Alive in 5! - Week 2 White Rose Maths Activity: Print the Bus Template or draw your own. You will need a dice and some counters (preferably two different types/colours). Roll the dice, count and add to the Bus, throw again and add to the bus. How many counters altogether? Maths activities/files/Week 2	Letter sound Z The z sound Phase 3 Phonics z words - BBC Bitesize		
Wednesday	Activity: Print <u>one</u> dinosaur sheet Read the words and cut and stick the labels in the correct place. Parents you may need to help your child read the labels – model sounding out. Encourage them to	Go to Session 3 Alive in 5! - Week 2 White Rose Maths Assignment 3 – counting and sequencing representations	Letter sound zz The zz sound Phase 3 Phonics zz words - BBC Bitesize	See Literacy activity	Have fun with a variety of writing and drawing tools such as pastels, pens, glitter

	look at the first sound – that may give them a clue! Literacy Activities/Files/Week 2/Label the dinosaur	of numbers from 1 to 10 and beyond.			pens, crayons, chalks, whiteboards and pens.
Thursday	Topic Take a look at the Powerpoint Presentation. You are going to learn about Archaeology . What is the difference between an artefact and fossil ? Topic Activities/Files/Week 2/What is Archaeology?	Go to Session 4 Alive in 5! - Week 2 White Rose Maths Activity: Use up to 10 toys of your choice (dinosaurs, animals, bugs etc) Draw an environment to add your toys to. It could be a field, beach, swamp or pond. Play with arranging your toys into different compositions i.e. if you have 3 dinosaurs in the field and 3 in the swamp – how many altogether?	Letter sound Qu The qu sound Phase 3 Phonics qu words - BBC Bitesize	Phonics comics Buzz (y, z, zz, qu) Buzz - Phase 3 decodable comic (phonicsplaycomics.co.uk) Download and read online or print out.	Play schools and practise letter formation. Maze books can be a great way to form lines but with a problem to solve.
Friday	Be an Archaeologist!! Go into your garden and have your own Archaeological dig! You never know what you might find!! Take photos if you are lucky – remember to be a successful Archaeologist requires you to be patient. Parents at this point you can sit back and have a rest, the kids could be digging for a while!!!	Some fun extra!! Dinosaur Data Handling Print out the sheet in: Maths activities/files/week 2/Dinosaur Bar chart			
Physical Activity	PE – Joe Wicks – 9am for 20 minutes every Mondays, Wednesday and Thursdays Cosmic Kids – Yoga/Mindfulness - Tiny the T-Rex A Cosmic Kids Yoga Adventure! - Cosmic Kids 20 mins				

Home Learning for Phase 3 Phonics

Week beginning 11.01.2021

Revisit If possible begin your phonics session with a revisit of previous letter sounds covered (for some children that may still be Phase 2 letter sounds, for most it will be the Phase 3 sounds beginning with j, w, v, x) You can use a range of strategies from flash cards (homemade with do), point to the letter sounds on a phonics mat or use the powerpoints – go to Phonics Activities and Resources/files/phase 2 phonics presentations or phase 3 phonic presentations We also revisit (daily) the phase 2 and 3 tricky words, again you will find useful presentations in the above folders.					
Day	Revisit	Focus Sound	Nikki's Video	Activity	Link – online games
Monday	Revisit previous letter sounds and tricky words	y – yap, yak, yo-yo, yam, yellow	Short presentation of the letter sound 'y'	I spy and read activity – you do need to print this activity you could just read the words online. Go to: Phonics Activities and resources/files/Week 2 phonic activities	Phase 3 Tricky words song https://youtu.be/ri4u0TjAZ38
Tuesday		z – zoo, zap, zen, zip	Short presentation of the letter sound 'z'	Parents read out the words zap, zen, wiz and zip . Model sounding out orally. Ask your child to write the words down.	Reading High frequency and tricky words – choose game 1 The Dinosaur's Eggs - High Frequency - Sight Words (ictgames.com)
Wednesday		zz– buzz, fuzzy	Short presentation Phase 3 tricky words	Read and Race game Phonics Activities and resources/files/Week 2 phonic activities	Click on link – go to Phase 3 / z/zz Buried Treasure (phonicsplay.co.uk)
Thursday		qu – queen, quilt, quack, quiz	Short presentation of the letter sound 'qu'	Parents read out the words quiz, quack, quick and quid Model sounding out orally. Ask your child to write the words down	Phonics comics Buzz - Phase 3 decodable comic (phonicsplaycomics.co.uk)

Apple Class

Topic based Activities

Below is a selection of topic activities (each week more will be added). This is an extensive list so do not feel that you need to complete all of them! You may want to read through the list with your child and decide upon those that interests them (and you). For each completed activity your child will receive the allotted house points.

Curriculum area	Homework Activities	House Points
Art and design	<p>Create a dinosaur themed diorama. Use a shoe box or other shallow box. You can use a range of materials you have to hand from paints, plasticine, natural materials from your garden, anything that will create a mini dinosaur world. Take a photo so we can see your creative work. Sue will be sad that she cannot do this with you, she is the expert at creating Dioramas!</p>	10
Outdoor learning	<p>Create a dinosaur skeleton using sticks Go on a walk and collect some sticks. Use the sticks to create a dinosaur. You could add other natural items such as leaves etc. Take a photo of your stick dinosaur. Extra challenge add some written labels to name parts of its body.</p>	5
