Dear Parents,

I hope the children enjoyed the circus experience this morning. A big thank you once again to FOBs for organizing and funding this experience to celebrate the reopening of school.

We will be delighted to welcome all the children back on Monday and I am sure they will be excited to see their teachers and their friends once more.

We sent out all the information last week for the reopening of school, although much of it will be exactly the same as how the school was operating back in the Autumn term. The only real difference is that Year 1 and 2 children will now be picked up and dropped off at the main/ back gate instead of at the door. This is to prevent a bottleneck of parents on school site which then made it difficult to maintain social distancing. Can I also recommend, for your own safety and for that of others around you, that you continue to wear face coverings in School Lane. Apple class parents (unless exempt) will only be permitted on school site if a face covering is worn.

We have updated our school risk assessment and all the information for the reopening of school can be found on our website.

We are very pleased to offer wraparound care once more. Please email playrangers@batheaston.bwmat.org if you would like to book a place. Payment needs to be made in advance.

And finally, we are delighted to welcome Ginny Woodford to the Batheaston Office Team. Ginny did start briefly before lockdown but has since returned and will be working alongside Gail and Laurie throughout the week.

Best wishes
Sally
