

Batheaston Church School – Continuation of Learning

In line with government guidelines, your child's teacher has put together a selection of activities to provide a balance of learning during this period of closure. Please complete as many as possible, using the exercise books sent home when required, and bring the outcomes into school when we re-open. We are sympathetic to the fact that in these unusual circumstances, parents may have work commitments to balance with child care and that this may place pressures on the time available to support your child with this. Please just do as much as is manageable.

Week beginning:	English Activity	Maths Activity	Other subjects	Reading/ phonics	Spelling/ handwriting practice	Times table practice
		Year 3 White Rose Maths				
Monday	<p style="text-align: center;">Innovate</p> <p>Use the model text I have written. You need to make changes to the story to make it more interesting. You are going to need to use the skills from last week to help you.</p> <p>Words in red you MUST change. Things in green are optional.</p>	<p style="text-align: center;">Divide 2 digit by 1 digit (1)</p> <p>Videos can be found on the link above, click on Spring Week 2: Multiplication & Division. Each video is the same as the title above. Worksheets and link also attached to assignments.</p>	<p style="text-align: center;">Topic</p> <p>Topic idea list can be found in the topic folder on teams. General/ Files/ Topic.</p> <p>Select an activity, any resources for the activity you select can be found in this folder.</p>	<p>Reading three times a week. This can be either independently or out loud to another person.</p> <p>If you wish to continue using the AR reader system (if you want to improve your word count) then the link is below.</p> <p style="text-align: center;">Welcome to Renaissance Place</p>	<p>If you wish to do an additional work on handwriting and spelling, then there are additional sheets that you can access.</p> <p>The files can be found in General/ Files/ Spelling and Handwriting</p>	<p>Times table Live</p> <p>Live lesson from 1:00 to work on times table.</p>
Tuesday	<p style="text-align: center;">Story board</p> <p>Think of a moral you used last week or take one from the examples from last week. Create an alternative story for that moral.</p> <p>Look at the success criteria to help you know what makes a good fable. Draw a story board of your story as part of your plan.</p>	<p style="text-align: center;">Divide 2 digit by 1 digit (2)</p> <p>Videos can be found on the link above, click on Spring Week 2: Multiplication & Division. Each video is the same as the title above. Worksheets and link also attached to assignments.</p>	<p style="text-align: center;">Science</p> <p>Read push and pull PowerPoint and complete the task explained on the presentation.</p>			

Wednesday	<p style="text-align: center;">Plan</p> <p>Use the sheet attached to create a more detailed plan for your fable. Today we will be looking at building a word bank of useful words that you can use in your writing.</p>	<p style="text-align: center;">Divide 2 digit by 1 digit (3)</p> <p>Videos can be found on the link above, click on Spring Week 2: Multiplication & Division. Each video is the same as the title above. Worksheets and link also attached to assignments.</p>	<p style="text-align: center;">Topic</p> <p>Topic idea list can be found in the topic folder on teams. General/ Files/ Topic. Select an activity, any resources for the activity you select can be found in this folder.</p>	<p>renlearn.co.uk</p>		<p style="text-align: center;">Times table Live</p> <p>Live lesson from 1:00 to work on times table.</p>
Thursday	<p style="text-align: center;">Writing</p> <p>Today you are going to have a go at writing your own fable using the plan and storyboard you created. This will be the first draft to your story.</p>	<p style="text-align: center;">Scaling</p> <p>Videos can be found on the link above, click on Spring Week 2: Multiplication & Division. Each video is the same as the title above. Worksheets and link also attached to assignments.</p>	<p style="text-align: center;">RE</p> <p>Read the extract of the creation story and draw a picture of what you see based on the description.</p>			<p>Times table practice can be done using the TT rock stars website.</p>
Friday	<p style="text-align: center;">Writing</p> <p>Today you are going finish off your fable and use this lesson to edit your work. This is the time to check your work against the success criteria and your plan to make sure you have as much detail as possible.</p>	<p style="text-align: center;">How many ways?</p> <p>Videos can be found on the link above, click on Spring Week 2: Multiplication & Division. Each video is the same as the title above. Worksheets and link also attached to assignments.</p>	<p style="text-align: center;">Topic</p> <p>Topic idea list can be found in the topic folder on teams. General/ Files/ Topic. Select an activity, any resources for the activity you select can be found in this folder.</p>			<p>There are some additional practice sheets in the times table folder on teams. General/ Files/ Timetables</p>
