Cherry Class Newsletter

Welcome to Cherry Class!

It has been a lovely first week back and the children are settling in well to their new classroom and routine.

It will be lovely to meet you all properly at our Meet the Teacher afternoon on Wednesday (3:30-4:00 first talk, 4:00-4:30 second talk) where I will explain more about the week ahead and answer any questions you might have.

This week we have started science lessons! For the next 6 weeks we will be investigating our senses. The children were very excited to find out we will be doing some experiments in this unit!

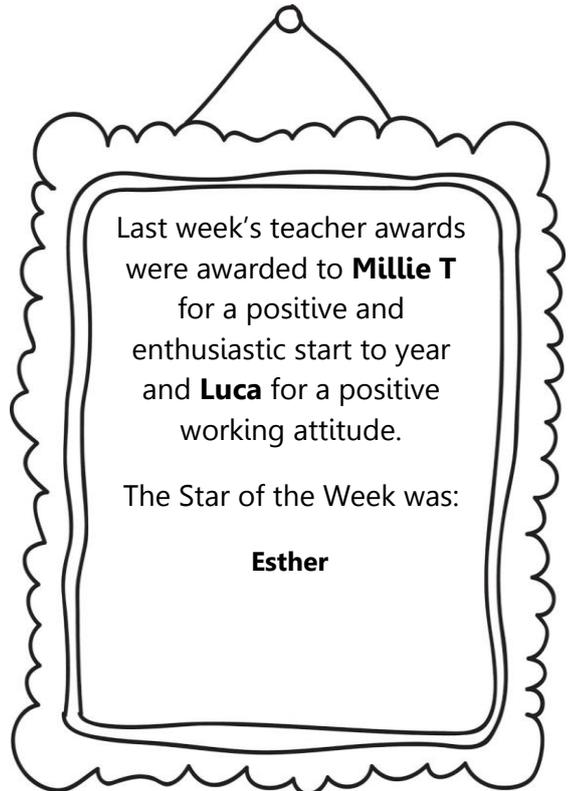

We have also started a new 10 minute maths scheme which runs alongside our normal math lessons called Fluency Bee. The children are engaging well in these lessons and are enjoying the fun games that are helping them learn how to use mathematical language to reason.

This week, Steve Cook who works for Bath Rugby and is a parent at school will be running a rugby type session for Cherry Class on Friday afternoon. Please can all children have proper daps or trainers in school for this session as they cannot do it in black school shoes. Our usual P.E. lessons will take place on a Tuesday and Friday morning.

I look forward to meeting you on Wednesday!

Have a lovely weekend!

Georgie and the Cherry Class Team

Dates:-

Tuesday- P.E.

Wednesday- Meet the Teacher

Wednesday- Mike's Meadow session after break

Friday PM- Steve Cook rugby session
