## Our week:

It has been a fantastic week in Cherry Class again this week. It has been wonderful to see the children beginning to remember routines in the classroom. The children have been thinking carefully about how we learn and how we support other children to learn and this has been evident in their classroom behaviour. Well done Cherry Class!

## Our Learning this week:

Our learning this week has been focused on London. We have enjoyed looking at a map of the United Kingdom and finding out where England, Scotland, Wales and Northern Ireland are. I was impressed to that so many children had so many stories about the different places that we were talking about. We then focused on London and enjoyed learning about the landmarks that are in London. Some of us enjoyed sharing stories about when we went to London and what we saw. I was delighted that so many show and tells were about London this week! In DT, we looked at Zaha Hadid and her architecture. The children loved talking about the different shapes that they could see, what they liked and what they didn't like. They then had a go at designing a building for London themselves, I would love to see some of their buildings made. They were amazing! Our Drawing Club focus has been 'Giraffes Can't Dance' which the children have loved. We had some fantastic animals created during Adventure Time. Our Maths has been about finding one more, one less and counting backwards from 10. We finished the week with a great time in Mike's Meadow where we did leaf rubbing, making leaf kebabs and going on a scavenger hunt to look for mini beasts, interesting objects and leaves. What a wonderful week Cherry Class!
