Dear Parents and Carers,

We are delighted to share with you a list of significant dates for the upcoming Autumn Term. While this list includes many of our key annual events, please note that it is not exhaustive. Additional activities, such as school trips and special workshops, will be organised throughout the year and communicated to you in due course.

Some dates are still to be confirmed (TBC) with external providers, and we will do our best to keep you informed of any changes well in advance. Further details about specific events will be shared nearer the time, and our weekly newsletter will continue to keep you updated with what's happening in the week ahead.

We hope this overview helps you plan and stay connected with school life. Thank you for your continued support.
