

Oak Class Newsletter

What happened this week:

Another busy week for Oak class as we have been helping our special friends with staying for the whole day. This has included us joining them for lunch for their first week. It has been great to see Oak class be so supportive teaching Apple class the ropes of lunchtime. The whole class has been working hard on their English writing. We have been focusing on quests. This week Oak class will be using their creative skills to create their own stories based on this genre. They have really enjoyed looking at the types of quests they can create. We will combine this writing with our art as we will create an Illuminated letter to decorate our stories. Keep your eye out for some photos of the finished products in a few weeks.

What we're learning this week:

English: Independent writing – Quest tale

Maths: Addition and subtraction

Science: Classifying plants

PE: Tag rugby and Cricket

History: Saxon and Viking laws

Art: Illuminated letters

Teachers awards this week:

Star of the week: Aoife

Awards:

- Shane
- Elliott

Presentation: Wilf

Key dates:

PE Days: Monday and Wednesday

- Wednesday PE with Bath City
