Willow Class Newsletter

Pirate Day Fun!

Fab week in Willow Class

It was great to see the return of the sun! We enjoyed a session in Mike's Meadow on Monday – always good to take our learning outside. Next week we are going to discuss the history of the use of lavender and make some lavender bags in the meadow.

The children wrote some amazing stories about Pirates and all thoroughly enjoyed a dress up day on Friday. Great costumes and we had fun completing our stories, creating treasure hunts and pirate games in PE.

Next week on Tuesday we are being visited by Avon Fire and Rescue which links perfectly with our current topic. This week we looked at how the residents of London carried water from the Thames to try and put out the fire. We all tried a human water chain with buckets and decided it must have been really hard and scary. Thank goodness we have the Fire Brigade now.

In maths we are going to start looking at adding and subtracting 2-digit numbers and will start this week by looking at 10s and 1s in individual numbers.

Alison, Beth, Sarah, Hannah, Lucy and Amy

Teacher's Awards

This week **Joseph** and **Rosa B**

Were awarded the Teacher's Award this week for their hard work and creativity in all subjects

Quinn was our **Star of the Week** for showing great resilience and the **Presentation Award** went to **Lorna**.

Homework

Reading - we will send home a decodable book on Monday and Thursday. Please read these with your child focussing on their use of sounding words they do not know. Remember to record in the reading record book when you read with your child.

Please let me know if you would like to come in and read with children as any adult support is welcomed.

Please remind your child to put their book bag into the box rather than leaving them in their bags as then they will have their book changed.

Dates:-

Monday – Mike's Meadow playtime and History (Wellies will be useful)

Tuesday – Avon Fire and Rescue visit pm

Wednesday pm- Natalie PPA cover.

Friday and Wednesday – PE
