

## Cherry Class Newsletter

Date: 3<sup>rd</sup> October 2025

I started my Celebration Speeches by saying how amazing Cherry Class have been this week and thought I would share with you all too. They have been focused, engaged and enthusiastic for their learning. It has been wonderful to share in this with them this week. We have particularly enjoyed our History this week because we have been Beginning to learn about how the Great Fire of London started. We compared our fire safety equipment now and the fire safety equipment that they had in the Great Fire of London. This

was accompanied by an amazing visit from the Avon and Somerset Fire Service where we learnt to stop, drop and roll. We also learnt about fire hooks which I'm sure the children would love to tell you about at home. I have been really impressed with the children's writing this week. The descriptive language that they have been using has been wonderful and they are consistently including verbs with the correct suffix ing when writing which has been our focus this week. In Maths, we have finished our unit on Place Value and are moving into Addition and Subtraction. The children have grasped the part whole model really well. We loved using this in Apply Friday Maths this week. In Science, we went for a sound walk around school and then had lots of fun with the musical instruments!

Our Teacher Awards this week were given to:

**Jenny and Torrin**

Our Star of the Week is:

**Caspian**

Our Presentation Award was given to:

**Theo**

Our Special People have been:

**Hannah, Wilf, Fraser, Aurelia and Luke**

Days to remember this week:

Monday – Book Change and PE kits please

Tuesday – Amy teaching in the afternoon (Olivia's PPA)

Wednesday –

Thursday – Book Change and PE kits please

Friday – Mike's Meadow – wellies and coats please

Please could we ask that coats are always in school with your child? We go out in all weathers and don't want them to be wet and cold. Please also remind your child that for the time being, we are having no toys in Cherry Class because they are causing too much of a distraction in learning time. Hopefully we can review this after half term. Show and Tell in on a Friday and needs to be topic related or an achievement that they would like to share.

I hope you all have a wonderful weekend.

Olivia and Team Cherry 😊
