

Cherry Class Newsletter

Date: 10th October 2025

Cherry Class has absolutely loved our Drawing Club this week! We started the week going up to the Lapa and finding a package which contained a squirrel (who was keen to get out) and 'The Leaf Thief'. We loved listening to the story and wrote some amazing and descriptive sentences about who the leaf thief could be, where they might be hiding and how we might catch him. The cherries were horrified to come back from an autumn walk to find

that the leaf thief had been for a visit and had made an incredible mess in the classroom. There were leaves all over the floor, conkers strewn across the classroom and pumpkins rolling around. Whilst being detectives, we also discovered a cloak, a shoe, a metal cage/contraption, a mask, a pot of blue glitter (which was rumoured to contain magic) and a hat. The children were enthralled and this meant we had to create some plans to catch the leaf thief. The next day, we found out who the leaf thief really was and were glad to help the squirrel clean up after the wind with our amazing cleaning solutions (Olivia challenged us not to use robots).

We have also had two wonderful celebrations this week. On Monday, we had a fantastic time at the Harvest Festival. It was a pleasure to hear everyone singing so beautifully. Thank you to

Our Teacher Awards this week were awarded to:

Caspian and Aurelia

Our Star of the Week was:

Fraser

Our Presentation Award was given to:

Ruairi

Our Special People this week were:

Freddie, Amelie, Dergham, Aurelia and Torrin

everyone that joined us and also for the donations. I know they will be appreciated. We loved Hello Yellow and wearing mufti. We have introduced a self registration for the children were they can inform me of how they are feeling so that I can check in with them all throughout the day.

Throughout this week, we have been recapping our good learning behaviours: good listening; legs crossed sitting; looking at the board and talking to a learning partner (when appropriate). We have also been thinking about how our behaviour pledges can impact our and other people's learning. Cherry Class has really taken this on board and have been an absolute pleasure to teach this week. They are working really hard. Well done Cherries, we have had a wonderful week and I can't wait for Monday! When you're out and about at the weekend...see if you can spot the leaf thief!

Have a fabulous weekend everyone.

Olivia and Team Cherry 😊

Days to remember this week:

Monday and Thursday – PE kits please

Monday and Thursday – Book Change

Thursday – Parents' Evening

Please focus on tricky words at home this week.

We will be practising tricky words. Can you spot the tricky part of the word?
