

Hazel Class Newsletter

Date: Monday 20th October

Dear Parents and Carers,

We've had another productive week in Hazel Class!

Vox Pop Choir

Maple and Hazel Class had the exciting opportunity to work with the VOX Pop & Soul Choir—a vibrant youth choir based in Bath for ages 8 to 16. Known for its energetic performances of current pop tunes alongside rock and soul classics. The children thoroughly enjoyed singing together, and it was lovely to hear them express themselves so enthusiastically through music.

Parents' evening

It was great to meet many of you last week. These conversations are always so valuable - sharing what I've observed about your child and hearing your thoughts helps us support them in the best possible way. I'm looking forward to seeing more parents this Tuesday!

Thank you, as always, for your continued support.
Sarah
