

Hazel Class Newsletter

Date: Monday 6th October

Dear Parents and Carers,

We've had another productive week in Hazel Class.

Homework

Thank you to all the children who brought in their homework last week.

AR Reader

After having issues with the AR Reader website, the problem their end has been resolved. Children have all taken a Star Reader test and now all have their most up to date levels that will be shared with you.

This week, the children enjoyed creating models of teeth linked to our science learning.

Thank you, as always, for your continued support.
Sarah
