

# Maple Class Newsletter

17/10/25

Another great week in Maple!

In Maths this week we've been exploring square and cube numbers, using counters and multilink cubes to represent and identify them. Everyone has also made excellent progress in their use of mathematical language, using the terms factor, multiple, prime, square and cube numbers to explain their answers.

This week also marked the start of our fire writes for our "Defeating the Monster" stories. All of Maple have come up with some incredibly creative and imaginative ideas that I look forward to reading in the final product. Everyone is showing an increasing independence in their writing, using our "Brain, Board, Book, Buddy, Boss" toolkit to help them work out their next steps.

We also had a real treat on Thursday afternoon, where both Maple and Hazel Class received a visit from Vox Pop Choir to run a music workshop. The children were fabulous! We had a wonderful afternoon of singing and performing and it was great to see everyone's musical confidence increase across the afternoon.

Have a lovely weekend!

Katy and Maple Class

## This week's awards

Teacher awards:

Ashley & Oscar

Presentation: Isabel

Star of the week: Will

## Next week's learning

**Maths:** Multiplying 4-digit numbers by 1 and 2-digit multipliers

**English:** Writing: "Defeating the Monster" stories, Reading: "Anglo Saxon Boy", Spelling: end of term spelling test

**Science:** Pulleys, levers & gears

**Topic:** Historical sources

**RE:** God's qualities consolidation

## Reminders

PE Days this week:  
Monday & Wednesday

**Monday:** Class Assembly

**Tuesday:** Second  
parents' evening slots
