

Oak Class Newsletter

What happened this week:

As we approach the last week of the term we are in full flow with our topic and learning. At the start of this week, we finished our quest stories and combined our illuminated letter artwork together to create an amazing piece to display in our classroom. The pictures below show some of the artwork and our writing together. I'm sure you'll agree they have produced some impressive pieces. As we get to the end of the term, we will begin to shift our focus with our topic to the Vikings and how England changed as the Vikings began to settle in.

Teachers awards this week:

Star of the week: Annie

Awards:

- Kaya
- Robin

Presentation: Eloi
