

Hazel Class Newsletter

Date: Monday 17th November

Dear Parents and Carers,

Mental Health Week Highlights

Last week, we've been celebrating Mental Health Week with activities that promote kindness and individuality. On Monday, the children wore odd socks to school—a fun way to show that being unique is something to be proud of! It was wonderful to see all the creative combinations.

Throughout next week, we are continuing important conversations about our school's commitment to a safe and respectful environment. As a class, we will revisit our behaviour pledges and explore how they connect to the British Values of Tolerance and Mutual Respect. I will be reinforcing the key message that bullying is never tolerated at our school.

The children have been working hard on linking their **6 times tables** with telling the time. This is a challenging concept, and extra practice at home can make a big difference. If possible, please spend some time helping your child read clocks — it will really support their understanding.

Sarah

Beautiful silhouette portraits

Learning last week

Maths: Time and 6 times table

Art: Miniature silhouettes

PE: Handball & Dance

Writing: Narrative

Times tables: X6

Upcoming Dates

Christmas Fair:

Saturday 29th November

PE: Tuesday & Friday

Times Table focus next week: **x6**
