

Elm Class Newsletter

Date: 6th November 2025

This week the children have been given their first homework book. They need to bring their homework book and reading log into school every Wednesday (or once homework has been completed). Every week we will award house points to children who remember to bring in both books. Your help and support with this would be much appreciated.

We would love to create a 'Reading Advent'. If possible, please could your child bring in a wrapped, short picture book that can be shared with the whole class. We will then unwrap one or two every day in December. Please note, this is not compulsory - we just thought it would be a lovely idea!
