

Hazel Class Newsletter

Date: Monday 2nd March

Dear parents and carers,

We really enjoyed Sam Hofman's session on AI this week. The children learnt about how AI works and considered the pros and cons of AI, and it resulted in some fascinating debates.

We are looking forward to Book week. We have lots of fun activities planned:

Monday: Library launch at 3:15

Wednesday: Book Day exploration

Thursday: Teachers read to another class

Friday: Book Week dress-up day

Best wishes,

Sarah Morrison

Last week's learning

Writing: Suspense stories

Maths: Negative numbers

Science: Insulators and conductors

Dates

PE days:

Tuesday & Friday

Times Table focus next week: **x4**
