

Hazel Class Newsletter

Date: Monday 16th March

Dear Parents and Carers,

We have had a creative week in Hazel Class. In English, the children have been working on understanding and identifying the linguistic features of persuasive food adverts. They had lots of fun experimenting with exaggerated adjectives and catchy slogans. Jet2 holidays even inspired a few of our most enthusiastic taglines! We are now looking forward to writing and recording our own *Marks & Spencer-style* food adverts, complete with plenty of drama and performance flair.

In maths, the class has continued to practise their 4 times tables, and regular practice at home remains incredibly valuable. We have also been applying our skills to real-life contexts, including work with negative numbers and the vital skill of rounding to the nearest 10, 100, and 1,000. The children have shown great resilience and curiosity as they tackle these challenges.

It has been another busy and enjoyable week in Hazel Class, and we are especially excited about the upcoming Spring Concert. We look forward to seeing as many of you as can join us for the event.

Sarah

Last week's learning

Writing: Persuasive adverts

Maths: Negative numbers and rounding.

Geography: Lines of longitude

Dates

PE days:

Tuesday & Friday

Spring Concert:

Thursday @ 3.30 pm
