

Maple Class Newsletter

20/03/26

Another brilliant week in Maple!

This week has been full of fun rehearsing for our Spring Concert. Everyone did a fabulous job on Thursday after school. We are incredibly proud of the musicians and speakers from Maple Class and all of key stage two for such a wonderful performance.

In the classroom, we have been busy working on our character descriptions in Writing. Everyone's character idea showed great creativity and we have loved bringing them to life through our writing. Our visitors on Wednesday were also very impressed with the quality of our written work and the confidence to share it aloud.

Our afternoons have been full of exciting learning! In Art we finished our suitcase models, inspired by our class book "The Strangeworlds Travel Agency"; Geography explored the importance of protecting our river habitats; RE was a lesson of hot-seating to imagine how Jonah felt on his journey to Ninevah; and in PSHE we thought all about what we can do to help recognise and regulate our emotions whenever things become difficult.

We are all really looking forward to our residential next week too!

Have a lovely weekend!

Katy and Maple Class

This week's awards

Teacher's awards:

Emir & Isabel

Star of the Week: Leo J

Presentation: George

Next week's learning

Maths: Missing number problems

English: Writing: Character descriptions, Guided Reading: Poetry, Spelling: revision of previously taught rules
