

# Elm Class Newsletter

Date: 5<sup>th</sup> March 2026

## Headlines:

- Glorious sunshine has seen Elm heading outside this week to learn about forces.
- Nikki was Elm's mystery reader - her book was a big hit - please do ask your child about her story!
- Book Week - what a fabulous host of activities we have participated in. We cannot wait to see their costumes tomorrow...

There are no teacher awards this week but we have been very proud of every child in Elm who has really tried their best with our maths checker quizzes.

## This week's learning...

**Maths:** This week has been maths assessment week.

**English:** The children have researched the impact of plastic pollution for our oceans and on British wildlife. They have then used their research to write their own poems.

**Science:** What is a force? What is friction? We hope your child can now answer both of these questions.

P.E. days this TERM are:

Tuesday and Thursday.

## Arbour

Thank you to all parents who are now selecting their child's school dinner and/ or packed lunch.

If you haven't done this yet, we would be VERY grateful if you could do this for next term. Thank you in advance.

## Spelling Focus:

-ous suffix continued

Adding -ous to words ending:

-consonants (danger - dangerous)

-e (fame - famous)

-y (envy - envious)
