

# Maple Class Newsletter

02/04/26

What a great week we have had in Maple!

Our final week has been full of exciting things, most notably our visit from Gladiator "Steel" on Wednesday morning!

Zach gave an inspiring talk about his story, teaching us the importance of believing in yourself and having the confidence to achieve your dreams, whatever they are. He also inspired us to think about the "glimmers" in our week. These are the small things that bring us joy and, by writing them down, we can have the chance to reflect on all the positive things in our lives.

We also finished off our character descriptions in writing this week and had the chance to share some of our work aloud to the class. The language choices, vocabulary range and creativity on display were brilliant! We definitely have a classroom full of promising future authors!

Thursday was also a real treat with our Easter bonnet parade. The effort and originality on display were fantastic and the atmosphere across the whole school was a real celebration of Spring! We spent the remainder of the day creating Easter cards to send to our friends and families and had an afternoon of DT, cooking a traditional South African Bunny Chow to finish our Journey to Jo'burg topic!

Have a lovely Easter holiday and enjoy a well-deserved rest!

Katy and Maple Class
