

# Elm Class Newsletter

Date: 26<sup>th</sup> March 2026

Dear Parents,

Wow - what a final two weeks! The children have made their magnetic games, performed for you their class assembly, had a Gladiator visit and then they've topped off their Design It, Make It, Test It topic with an Inspire Egg Protection morning! We are not sure we could have squeezed anymore fun or learning in!

## This week's learning...

Maths: Multiplying by 10 and 100.

English: Fine writing persuasive letters.

Design and Technology/ Science: Designing a bridge to protect an egg!

P.E. days this for the 1<sup>ST</sup> week: Tuesday and Thursday.

## Arbour

*Did you know...*

*we can save up to 20 minutes a week of learning time by parents selecting their pupil's **PACKED** lunches and **SCHOOL** dinners on Arbour?*
