

## Cherry Class Newsletter

**Summer 1, Week 2 – 1<sup>st</sup> May 2026**

We have had another fabulous week in Cherry Class. The children were delighted to have helped the Faithful Friends get beyond the oak tree to get to the Lava Lake. Our next stop is the Biscuit Goblin but first of all, we need to help the friends navigate the rainforest. I am really looking forward to sharing some of David Attenborough's research this week. In Maths, we have been revising our number bonds to 20 to support us with adding and subtracting numbers crossing the 10. In Art, we had a wonderful time searching for natural objects to print with. We went outside with Willow Class to see what we could find. In PE, we were delighted to get the wall bars and apparatus out. We thought of lots of different ways to move over the equipment. In RE, we thought about how it feels to say sorry to a friend and how it feels to be forgiven. We agreed that sometimes it can be hard to forgive but that it is an important life skill.

Please make sure your child has a water bottle in school for the warm weather. Please note **PE days** this week are **Thursday**.

We have an exciting opportunity to pond dip on Wednesday afternoon (1.15pm onwards). Please could the children bring a change of clothes to change into at school that you don't mind getting wet/muddy. Please could these come in a named bag. We would also be grateful for parent volunteers if anyone is available last minute.

Trip – we would love a few parent helpers if anyone would like to spend the day on the farm with us. Please email the office or let me know if you might be interested.

Many thanks,  
Olivia

### **Days to remember:**

Monday	BANK HOLIDAY
Tuesday	Olivia's PPA (Amy teaching)
Wednesday	Pond dipping (change of clothes needed)
Thursday	Book Change
Friday	PE Kits Mike's Meadow
