

Hazel Class Newsletter

Date: Monday 15th June

Dear Parents and Carers,

Firstly, a huge congratulations to all the children who completed the Year 4 Multiplication Check. They have worked incredibly hard on their times tables throughout the year and it was wonderful to see all of that effort come to fruition. The children approached the check with confidence, remained calm under pressure, and showed great determination throughout. We are so proud of each and every one of them.

In our English lessons, the children produced some beautiful poems inspired by the book *Our Tower*. They explored the structure and style of cinquains, using this form to express ideas in a thoughtful and creative way. Some of the themes their cinquains focused on included friendship and community, feelings and emotions, and the contrast between city life and nature. It has been a pleasure to see their imaginative responses to the text.

In maths, we have been revising the written methods for addition, subtraction, multiplication and division. The children have worked hard to consolidate their understanding, building both accuracy and confidence when solving

a range of calculations.

Lots of sport took place last week, with Sports Day practice and Tag Tails practice keeping everyone active. This all built up to the Tag Tails rugby festival on Friday, where the children played brilliantly against Bathampton and Bathford. It was also wonderful to see such positive team spirit and respectful support for one another throughout the matches.

Sarah

**Learning last
week of Term 5**

Maths: Revision

Writing:

Cinquains

Dates

PE: Tuesday &
Thursday

Sports day:
Thursday am
