

Elm Class Newsletter

19th June 2026

Bit of a scorcher this week but...
one huge highlight was receiving a letter from The King
of England!

Remember to
check [Bluesky](#)
for some great
photos of Elm
Class in action!

Star of the Week:

Ezra

Both the Corsham
swimming teachers
nominated Ezra this
week for his superb
focus, listening and
awesome swimming
effort.

This week's learning:

Maths: Multiplication: Using known facts to solve multiplications and divisions like $3 \times 6 = 18$ so $180/3 = 6$

Times tables: Recall of the $\times 6$ tables.

English: Stone Age Mammal - non chronological reports: The children have started creating their double page spread on their own Stone Age Mammal. The aim will be to complete their reports next week.

We've also... enjoyed our swimming lesson! After an incredibly hot week, it was a complete joy to watch the children enjoy a dip in the pool!

This week's spelling

The 'inter' base eg. supervise

Statutory words: **build, guide, guard** (there were no new words this week due to the disrupted week's learning).

P.E. days and dates:

Tuesday 20th June: Time in Mike's Meadow to say goodbye to our student, Alicea

Thursday 2nd July: Shuffle Up Day - Time for Elm to spend the day with their new teacher, Sarah

Friday 3rd July: Swimming in Corsham
