

Elm Class Newsletter

5th June 2026

This week, we've had fun practising for our upcoming Tagtails Festival! Tagtails is an exciting game, similar to tag, that has kept everyone active and smiling during our sessions.

This year, Bathampton and Bathford will be travelling to Batheaston to take part in a joint festival. It promises to be a wonderful morning, bringing everyone together to enjoy games, make new friends and celebrate being active.

The focus of the festival is all about fun, teamwork and taking part, rather than competition. We are really looking forward to a fantastic morning of energy, laughter and team spirit!

The Teacher Award Winners this week are:

Ezra - singing with so much joy and enthusiasm in our music lessons and in singing assembly

Alice - for her kind words, kind heart and kind actions

Star of the Week:

Hattie Hibbard

This week's learning

Maths: Symmetry, Adding and Subtracting fractions.

Times tables: Recall of the x6 tables.

English: Stone Age Mammal - non chronological reports

The children have started a new non-fiction unit. Over the next two weeks they'll be creating their own double page spread for their own Stone Age mammal!

We've also...made neolithic pots.

This week's spelling

The 'pre' prefix e.g. prearranged

Statutory words: **library, February and ordinary**
