

Maple Class Newsletter

03/07/26

What a brilliant week we have had in Maple!

In Maths this week, we have been working hard to recap some of the key arithmetic skills we have found tricky throughout the year. We have particularly focused on revisiting how we multiply and divide by 10, 100 and 1000, using our knowledge of place value to help us. We then applied this knowledge to some unit conversions. Everyone's confidence and understanding have shown great improvement.

Our writing this week marked the start of our final fiction fire writes! Everyone has planned and begun creating an exciting story opening ready to share in the class book we are going to make to celebrate our writing. We have taken lots of inspiration from "The Invention of Hugo Cabret" alongside our own imaginative ideas.

On Wednesday afternoon, we were lucky enough to have Baskervilles Gymnastic club come into school to coach us. This was a fantastic session, where everyone shown super participation and enthusiasm, as well as demonstrating our values of respect and compassion towards the instructors.

Thursday was also a very exciting day as Maple Class spent the day in Oak Class on our shuffle up day, preparing for all the excitement of their final year at Batheaston!

Have a lovely weekend!

Katy and Maple Class

Next week's learning

Maths: Arithmetic skill revision

English: Writing: Adventure stories, Guided Reading: Rumaysa (fairytale with a twist), Spelling: the -al suffix

Science: Plant life cycles

Topic: Key figures in Crime & Punishment

RE: Festival of Navaratri

This week's awards

Teacher awards:

Peony & Max

Star of the week: Lydia

Presentation: Dotty P

Reminders

PE days: Mon & Tues

Thursday: Race for Life

Friday: KS2 Disco
