

## Cherry Class Newsletter

**Summer 2, Week 5 – 3<sup>rd</sup> July 2026**

It has been another busy week in Cherry Class. The children have all done really well with a slightly different timetable this week. I feel like I haven't seen them very much because of PPA, being out on Wednesday afternoon and shuffle up day but I have heard amazing things about them all throughout that time! During the week, the children have loved their gymnastics session with Baskervilles, created lovely collages using magazines, adventured through a wonderful (Curious) quest and amazed me with their knowledge of time.

### **Mike's Meadow**

It was lovely to spend our meadow session with Oak Class this week. The girls loved learning to whittle in the fire circle, alongside some of the year six boys. The Oak boys were great at sharing tips and showing the girls what to do. The Cherry boys were amazing at going on a wildlife hunt and spotting different creatures in the meadow. There was rumour of a snake and a frog but Tim was sure to reassure me that he didn't see a snake, perhaps a slow worm at best!

### **Goodbye**

We say a sad goodbye to Ruairi today but wish him all the best in his new school. I know that you will make loads of friends and have a fantastic time there. All of the Cherry staff and children will miss you.

### **Race for Life**

On Thursday 9th July, it is our annual race for life. The children will need to come to school in their PE kits. The event will take place at Rhymes Pavillion from 9.30am. Please make sure your child has a sun hat, sun cream and a water bottle.

### **Class Assembly**

On Monday 13<sup>th</sup> July, it is Cherry Class' class assembly. This will be at 10.10am. Parents are warmly invited to attend. It will last approximately fifteen minutes. We have been practising and are doing really well. Please encourage your child to learn their lines if they have not done so already.

### **Housekeeping**

Please make sure your child has a water bottle and hat in school for the warm weather and a coat for the rain. Please note **PE days** this week are **Monday and Thursday**.

Many thanks,  
Olivia
