

Oak Class Newsletter - Autumn 1 week 5

This week in Oak Class

Tag Rugby Festival at Avon Rugby Club

This week 40 pupils from Year 6,5 and 4 to part Part in Avon rugby clubs tag rugby festival. It was a great day out and all our pupils who showed great sportsmanship throughout the day. Below is a short write up from Brendan who was one of the organisers of the event:

303 tries were scored in 32 Tag-rugby matches held at Avon Rugby Club. 174 pupils from 5 schools: Batheaston, Bathampton, Bathford, St Saviour's Juniors and Swainswick Primary all played 4 matches each. Every team secured at least one draw or win, with Bathford 1 being the only team to win all 4 of their matches.

St Mark's students were the match referees and coaches, with Bath Rugby Foundation providing two coaches to run inclusive games.

A huge thank you to Avon Rugby Club for hosting, especially Andi Parry who established this festival and provided a trophy for each school.
